Journal - Office of Legislative Counsel
Friday - 18 September 1970

Page 3

25X1 8. [] Met with Mr. Vincent Augliere, Staff Administrator,
25X1 Subcommittee on Foreign Operations and Government Information, House
25X1 Committee on Government Operations, as a follow up to the briefings
25X1 provided earlier in the week by []
25X1 FE Division. I confirmed the information provided during the briefing
25X1 concerning []

25X1 Mr. Augliere again expressed his appreciation for the briefings and indicated
25X1 that he saw no need to pass on any of the information since the current
25X1 Subcommittee investigations should not interfere in any way with Agency
25X1 activities. See Journal item of 14 September 1970.

25X1 9. [] Met with Mr. William H. Cook,
25X1 Counsel, House Armed Services Committee, and reviewed with him the
25X1 draft report of the Special Subcommittee on Survivor Benefits which will be
25X1 forwarded to the Subcommittee members later in the day. Mr. Cook advised
25X1 that no consideration has been given to the question of anticipatory waiver
25X1 of retirement pay by retired military personnel who are employed under
25X1 Civil Service. He noted that the draft legislation, which is an entirely new
25X1 bill drafted by the Subcommittee, models itself largely on Civil Service
25X1 retirement benefits for survivors. He feels that the question of anticipatory
25X1 waiver might well be handled under section 1452 of the proposed bill and
25X1 suggested that we might want to talk to Paul Bender of DOD who is working
25X1 on the bill with the Subcommittee. OGC and Personnel have been advised.

25X1 10. [] Met with Captain William Hogan, House
25X1 Armed Services Committee staff, and received back from him the copy of
25X1 Mader's Who's Who in CIA? that had been loaned to him.

25X1 11. [] Met with Frances Christy, Immigration
25X1 and Nationality Subcommittee, House Committee on Judiciary staff, who
25X1 told me that the request for report on [] has not yet been received
25X1 from Representative Charles M. Teague (R., Calif.). In all probability
25X1 the request is in the Chairman's office and has not yet been forwarded to
25X1 the staff. Miss Christy will keep me advised.
